Dear Coe-Brown Community:

The spring season is upon us and all teams have begun their seasons. The early thaw has made it possible for all spring teams to be outside, which is a rarity in New Hampshire. We have over 200 students- athletes involved in athletics this season.

We would like to congratulate several winter student-athletes who received All-State honors in their respective sports: Shannon Grady, Summer Brooks and Skyler Mitchell in Basketball and Corey Dowe and Ben Sanborn in Indoor Track.

The spring can be an eventful season not just on the playing fields, courts and track. The weather does not always cooperate; remember for up-to-the-minute schedules check out highschoolsports.net. This is an interactive calendar of all the interscholastic sports offered at Coe-Brown. Thank you again for your support of Coe-Brown Northwood Academy Athletics.

Go Bears!!

Sincerely,

Matthew J. Skidds
Director of Athletics
