

News Article Review Directions (NAR)

News Article Reviews (NAR)'s are important in helping you become a knowledgeable and informed member of your community and society. To complete the NAR follow these directions:

- Access the schools web site (www.coebrownacademy.com)
- On the left hand side of the home page, select "Health"
- Click on the "[Click here for the news article review form](#)" link. You can then download the page in word form, print a blank, or type directly on the sheet.
- Find an article that complies with the assigned topic in a newspaper, on the web, or from a magazine. READ THE ARTICLE!
- Print, copy, or cut out the article.
- Attach the article to the back of the NAR sheet and complete the questions.
- NAR's without the article will be worth half credit only.

Suggested News Sites for finding Articles:
