

Coe-Brown Northwood Academy
Summer School Program – June 25 thru July 29, 2009

CLASS SCHEDULE: Courses are offered in Mathematics, English, Social Studies, Physical Education (1/2 or 1/4) credit, and Health to enable students to raise their grade in courses previously taken. Specific course offerings are subject to enrollments. A one credit course includes twenty-five daily two-hour sessions over a period of six weeks. Classes meet in the morning from 8:00-10:00 and 10:00-12:00. Your schedule will be determined on the morning of Thursday, June 25, at 8:00 a.m. The first day of classes Thursday, June 25, will meet from 8:00 a.m. until 10:00 a.m.

CREDIT: Credit may be earned for courses successfully completed at summer school only for courses taken and failed during the regular school year. Courses may be retaken to raise a passing grade but additional credit is not granted. All students must receive their school principal's acceptance as "make-up" credit prior to registration.

ELIGIBILITY: Summer school is open to all high students from public, private, and parochial schools. Students who have completed the eighth grade are eligible for some courses.

COURSE ATTENDANCE AND REQUIREMENTS: Homework will be required in all subjects. Regular attendance is required, as the program is intensive. All absences require written valid reasons. A maximum of two (2) absences is allowed in a one credit course, one (1) absence in a half credit course, and zero (0) in a quarter credit course. Repeated tardiness will be counted as a partial absence. Other applicable Coe-Brown policies apply.

HOW TO APPLY: Applications are now being accepted at the Academy's main office. Space will be reserved on a first come-first serve basis. Courses will only run if there is sufficient enrollment. **NO** refunds will be given unless the class is cancelled. Please register early.
